

**Ruby Mountain Fly Fishers  
Board of Directors Meeting  
Elko Fly Shop  
September 25th, 2018, 6:00 PM**

**Call to Order**

President Josh Sovie called the meeting to order at 6:00 p.m.

Attending: Mike Mott, Joe Doucette, Mike McFarlane

**Items Discussed**

The first order of business discussed was the Fly Fishing Film Tour (F3T) that will be coming in early 2019. Kinross has expressed interest in sponsoring the event again this year, and Granite Construction has also expressed interest in contributing. A question to be pursued at this time is the location for the event. Several options were discussed and will be followed up on. Last year 125 tickets were sold and 109 attended. Some money from last year's tickets sales is available for use this year in addition to sponsorship money.

Meeting topics for the remainder of 2018 were discussed:

- October: Jan Nemecek will provide a presentation on Pyramid Lake fishing in advance of the November RMFF trip to that lake.
- November: RMFF Pyramid Lake trip is scheduled in conjunction with the High Sierra Fly Casters (to be held the weekend of November 11). The regular meeting (November 14) will be a pizza gathering to discuss what topics members would like in future meetings.
- December: Annual Christmas party, location, time and format TBA

**Adjournment of the Business Meeting at 6:30 pm**
